To the employee. Please keep this certificate in a safe place as **you will need it if you have to fill in a tax return. You also need it to make a claim for tax credits and Universal Credit or to renew your claim.** It also helps you check that your employer is using the correct National Insurance number and deducting the right rate of National Insurance contributions. **By law you are required to tell HM Revenue and Customs about any income that is not fully taxed, even if you are not sent a tax return.**
